Measurement Area

Minimum Size

We have designated the minimum size for our logo to help it stand out as much as possible. While the minimum size here should meet most needs, make sure it is never smaller/larger than what can be clearly executed. Some uses [examples] may require larger sizes.

[Optional paragraph for additional explaination/clarification.] Iquat nonsequisis atem vel ullut aliscil dip endio od mod del iure feugait delendiam, quam vendips uscidunt wisim velesenibh euguero cor susciliquisi tissis num am eugue tinit venim incilluptat.
